TREATMENT CHAIRS WITH ARMRESTS

Different armrests are available to adapt to specific treatments (dialysis, blood sampling, oncology, etc.)

ERGONOMIC

Very comfortable uphostery installed on springs, for pressure point relief.

PATIENT COMFORT

Epoxy steel frame, built on two columns for stability. Fast access to the Trendelenburg position on the remote control.

SAFETY

Protective casing made from smooth antibacterial PVC for easy cleaning. It can also be raised for access.

HYGIENE
